“So often you hear commercials encouraging you to call and get quotes and maybe save money on your insurance. I must admit, I had considered doing that. But after the experience I had with Travelers, I would never change. I have told everyone I can about the wonderful care I received from my insurance company.”
—Diane Dougherty,

“Whenever you have a problem and find someone to understand how important this issue is to you as a homeowner, it means so much! We called Travelers, and our property claim professional was very prompt, knowledgeable and courteous in his assistance. He was always available to answer any questions or to offer a suggestion.
